

## TOE AT AT TIME TOE UP SOCKS - DEMO DAY 2017

Two at a time - Toe up socks

All of these cast-ons are demonstrated on You Tube for ONE sock, but I have found that two toes can be set up side by side on 1 long circular (47 - 60 inches)

### BIND OFF:

Surprisingly Stretchy Bind off

Demonstrated by Cat Bordhi - <https://youtu.be/abBhe-JYmgl>

### TIPS:

Leave an ample tail and tie a little knot in it.

Remember to drop the working yarn and move to the new ball of yarn as you move between socks. I have knit socks together, and it's a pain to pick out.

Give a little tug on the second and third stitches in each round to prevent holes.
